Marsden Portable Floor Scale

Extra Wide, Low Profile Suitable for All Patients

Discreet Weighing

High Capacity Ideal for GP Surgeries & Weight Management Clinics

Light Platform

MARSDEN
ACCURACY ASSURED

M-530

Description

Marsden M-530 is a must for all GP surgeries. It allows for discrete weighing of heavy patients that traditional scales found in GP surgeries cannot.

The extra wide base enables obese and elderly patients, unable to stand on a small platform, to be weighed safely and accurately. The lightweight aluminium construction and the carry case make the scale ideal for home visits.

Features

Capacity	300kg / 500kg
Graduations	50g<150kg>100g (300kg)
Dimensions	600mm x 50mm x 390mm
Weight of scale	8kg
Power Supply	Mains / Rechargeable

Reliable. Accurate. Elegant.
